

Playcraft Color Options provided by Creative Components

Colors are an integral part of any playground environment. Good use of color can inspire the imagination, encourage vigorous play, and set the tone for interaction and socialization. From our rich, glossy powder-coat finishes, to our vibrant and durable plastics and Play-Tuff™ coatings, it is our manufacturing expertise blended with the highest quality colorants and materials that make our products the finest in the commercial playground industry.

Powder Coatings

Steel Posts, Rails, Wall Barriers, Climbers, Traverses, etc.

All Playcraft steel components go through an extensive multi-stage powder-coating process that yields a highly durable and lasting protective finish.

- Safe, lead-free coating
- Extremely durable, weather-proof finish
- Enhanced impact and corrosion resistance
- Rich, glossy finish
- Extra thick coatings (avg. thickness: 11 mils)
- Custom colors available for an upcharge

Top: White, Brown, Tan, Green, Blue
Bottom: Black, Yellow, Orange, Red, Burgundy, Purple

Roto-Molded Plastics

Slides, Roofs, Erector Rocks™, Lily Pads, etc.

Like a good jelly bean, our colors go all the way through! Playcraft slides, panels, roofs, and other plastic components are molded using hot-blended color compounded resins that stay bright and colorful even after years of wear.

- Hot-blended color compounded resins guarantee vibrant, uniform colors
- Made from specially formulated plastics designed to withstand harsh ultraviolet exposure for superior fade resistance
- Thicker walls ensure superior impact-resistance
- Surfaces never too hot or too cold to the touch
- Custom colors available for an upcharge

HDPE Sheet Plastics

Activity Panels, Panel Pals™, Round-3.5 Wall Barriers, etc.

Our hot-extruded high density polyethylene sheet plastic is available in solid and layered colors for one or two-color component design opportunities.

- Extremely durable and colorful
- Impact and vandal resistant
- Ideal for personalized or custom projects

Foreground(Solid colors): Black, Tan, Yellow, Green, Blue, Red
Background(Layered Colors): See Available Colors

Available layered colors:

Blue-White-Blue	Tan-Green-Tan	Blue-Yellow-Blue
Red-White-Red	Tan-Brown-Tan NEW!	Yellow-Black-Yellow
Black-White-Black	Yellow-Red-Yellow	Gray-Black-Gray
Tan-Blue-Tan	Red-Yellow-Red	Green-Tan-Green
Tan-Red-Tan	Yellow-Blue-Yellow	

Play-Tuff™ Coatings

Decks, Steps, Bridges, Bench and Table Tops, etc.

Krauss Craft uses an in-house state-of-the-art Play-Tuff™ (plastisol) coating process that offers unmatched protection for our perforated steel decks, steps, and select steel components.

Play-Tuff™ standard colors are Blue, Red, Green, Brown and Tan.

- Specially formulated textured coating for superior resilience and slip-resistance
- Extra thick, durable coating (80-100 mils)
- Provides a protective cushion that protects small hands and feet

Tan, Brown, Green, Red, Blue

Thermoplastic Coatings

Climber and Erector Rock™ Grips and Decks

Our Thermoplastic Polyethylene coating is an environmentally responsible alternative to PVC coatings.

Thermoplastic standard colors are Blue, Green, Red and Brown. Thermoplastic Deck coating available in Brown only.

Brown, Red, Green, Blue

Swing Seat Colors

Belt and Bucket Seats

- Slash Proof Seats are constructed from durable elastomer and come in Black, Red, Blue, Green, Yellow

Roto-molded Plastic Tire

- Available in Red, Blue, Green and Yellow

Roto-molded Inclusive Swing Seat

- Available in all roto-molded plastic colors

Yellow, Green, Blue, Red, Black

Vinyl Chain Coating Colors

Swing Chains

- Blue, Green and Yellow coated chains are only available at specific lengths and not available by the foot
- Brown coated chain is available at any length and is sold by the foot (12" increments)

Activity Chains (Climb Wall, Web Climber, etc.)

- Available in Brown only

Brown, Blue, Green, Yellow

Shade Canopy Fabric Colors

Our ultra-tough fabrics come in a wide variety of colors and provide superior protection from harmful ultra-violet rays.

Red, Blue, Green, Yellow, Tan
